

Bankers Blanket Bond

PROTECTING FINANCIAL INSTITUTIONS FROM THE INSIDE OUT

At **OLEA**, we know that financial institutions operate in high-stakes environments where trust, precision, and protection are paramount. Our Bankers Blanket Bond is a specialised crime insurance policy designed for banks and financial entities, covering a wide range of risks including employee dishonesty, forgery, burglary, and counterfeit currency. Whether you're a commercial bank, investment firm, or microfinance provider, this cover safeguards your operations against fraud, theft, and criminal activity, preserving your financial stability, reputation, and regulatory standing. With deep expertise across Africa's financial landscape, **OLEA** delivers more than insurance; we deliver confidence.

KEY BENEFITS

- Shields against theft, embezzlement, and fraudulent acts by employees
- Covers forgery or alteration of financial instruments
- Protection from robbery, burglary, and damage to property
- Coverage for counterfeit currency or coins
- Theft protection inside premises and during transit
- Supports financial stability and reputation management
- Helps meet regulatory and industry compliance standards
